Did You Know?

Nicky Ooi

I am the President and CEO of South Texas Lighthouse for the Blind. Our mission is to Employ, Educate, and Empower our neighbors who are visually impaired or Blind. My favorite part of my job is looking for future new opportunities to fulfill and grow our mission and better provide for our communities in which we serve. When I am not working I enjoy working out in the gym and practicing mixed martial arts and Brazilian Jiu Jitsu. I also enjoy cooking often and trying new recipes.

The most satisfying benefit I get from being a Rotarian is integrated in one of the Rotarian four way test where I am able to build goodwill and better friendships with the my fellow Rotarians.

My favorite quote to live by is "Everybody is a Genius. But if you judge a fish by its ability to climb a tree, it will live its whole life believing that it is stupid." - Albert Einstein

2 by 22

One of President Tim Stephens' goals is "2 by 22". In case you missed it, the goal is to raise our Club Endowment Fund to $2M by 2022. Currently we are at $400K+.

While that may sound like a lot, it is very much in line with what other clubs our size have in their own endowments. And it would generate around $80K per year that we could use for scholarships, projects, and donations to the Rotary Foundation. Imagine the good we could do in perpetuity.

You are encouraged to be one of the first *Legacy Leaders* with a gift of $1,000 to the Club's Endowment Fund. Make your check out today and proudly display your *Legacy Leader* lapel pin.
