Honoring

David Sikes
*Professional Conservationist
of the Year*

The Harvey Weil Sportsman Conservationist of the Year honorees exemplify the tradition of the sportsman giving back to the lands and waters in measures far beyond the pleasures taken.

The Professional Conservationist of the Year award recognizes the distinction between individuals who bring passion and conviction to their personal conservation efforts, and those who have made this endeavor their life's work.

Guests gather under the oak trees to visit with friends and make new acquaintances while enjoying hors d'oeuvres and an open bar.

After a time of visiting outdoors, guests are invited to step into the tent for formal dining before the evening's presentations.

Table sponsorships start at \$2,500
Individual tickets—\$200
