Congratulations to all of our members who received Paul Harris Fellows! One was even a surprise! From left to right: Mary McQueen received her Paul Harris Fellow +7, Blinda Gibson, Crystal Mead, and Richard Durham received their Paul Harris Fellows +4, Hix Green presented the pins, and Bea Hanson presented a surprise Paul Harris Fellow to Jeff Chilcoat.
The Boys & Girls Clubs of the Coastal Bend is building a playground and they need our help!

They need 75 volunteers from the community to help give more than 3500 area kids the childhood they deserve by building a new playground. Can you help?

Ms. Lysa Chapman  
Executive Director  
The Rotary Club of Corpus Christi  
921 N. Chaparral, Ste. 210  
Corpus Christi, Texas 78401

Dear Lysa and Rotary Members:

Thank you for The Rotary Club of Corpus Christi’s gift of one hundred trees donated to Camp Aranzazu and for your hard work in helping plant them all over camp. We cannot thank you enough for reaching out to us after Hurricane Harvey with your generous offer. We couldn’t have asked for a better group of people to partner with. These trees will be a lasting reminder of our friends at The Rotary Club of Corpus Christi and District 5930 and the good work you do.

Since 2006, we have hosted more than 21,000 children and adults with special needs and chronic illnesses from 52 different counties in Texas. They come in groups, and every group has a different challenge. We currently serve campers with epilepsy, muscular dystrophy, Down syndrome, autism, cancer, asthma, cerebral palsy, diabetes, kidney disease, head and spinal cord injuries, developmental and neurological differences, hearing and sight impairments, just to name a few.

Aranzazu is a Basque term that means "a spiritual place requiring a difficult path to reach." Thank you for helping us guide them on their journey, while providing life-changing experiences and lots of good memories.

Sincerely,

Virginia C. Ballard  
President

Thank you!  
We love our new trees!
