The Rotary Club of Corpus Christi *Harvey Weil Sportsman Conservationist Award Dinner* is one of the most well-attended and successful events in South Texas and is a great opportunity to honor the past, celebrate the present, and preserve the future. Proceeds from the dinner are vital to our efforts to increase the endowment to provide grants for important conservation projects and programs. All proceeds from the silent auction benefit charitable projects of the Rotary Club of Corpus Christi and the Harvey Weil Sportsman Conservationist Award Fund.

Please consider providing a silent auction donation for our event on Saturday, April 9, 2022. Our 500 attendees are typically well-educated business and community leaders. If you would like to make a donation, please fill out the enclosed silent auction donor form and return it in the envelope provided. All of our silent auction donors will be recognized in our program book and on our website for a year following the event with a link to their websites, if available. The donor form must be received by March 6th in order to be included in the printed program. Further information on the dinner and silent auction can be found by visiting www.rotarycc.com.

You are also invited to join us as we honor Ygnacio Garza *Conservationist of the Year* and Dr. Larry McKinney as our *Professional Conservationist of the Year*.
