Speaker: Ben Molina—Habitat for Humanity

Join us for an engaging presentation from **Ben Molina**, Executive Director of Habitat for Humanity Corpus Christi, as he shares how affordable housing is transforming lives across the Coastal Bend. Ben will provide insight into the growing need for workforce housing and the innovative partnerships helping meet that demand. Attendees will learn how Habitat is not only building homes, but also building stronger, more resilient communities. He will also highlight upcoming projects, including a unique home build taking place during Buc Days. This presentation offers a behind-the-scenes look at how local collaboration is making a lasting impact, and how individuals and businesses can play a role in the mission. Whether you are passionate about housing, community development, or simply want to stay informed on local progress, this is a conversation you won't want to miss.
