Speaker: Art Zeitler: International Project – Guatemala Latrines

Speakers: Justin Butts, Bea Hanson, Daisy Castillo: District Grant Project – Community Garden

The Rotary Club of Corpus Christi is excited to welcome two meaningful presentations that highlight both our global impact and local service. First, our own Rotarian **Art Zeitler** will share an update on our international latrine project in San Cristóbal La Laguna, Guatemala, where our club is helping bring safe sanitation to a remote community through a sustainable, community-built approach. We will then hear from fellow Rotarians **Justin Butts** and **Bea Hanson**, along with **Daisy Castillo** of the Texas A&M AgriLife Extension Service, as they present a collaborative vision for the Coastal Bend that connects food security, education, and hands-on service. Their work reflects the kind of practical, community-driven impact Rotary is known for both locally and around the world. Don't miss this opportunity to see how our club continues to serve at every level.

Rotary Means Business is a chance to reconnect, build relationships, and enjoy time together outside of our regular meetings. It's about getting back to the heart of Rotary —fellowship, conversation, and supporting one another. We're excited to see our members stepping up to host and participate.
