An Army Aviation Officer with extensive leadership experience, Colonel Consedine has served in multiple combat deployments, command roles, and senior Army operations positions. Since taking command of Corpus Christi Army Depot in 2024, he has helped lead one of our community’s most important military assets. Rotary Means Business is a chance to reconnect, build relationships, and enjoy time together outside of our regular meetings. It's about getting back to the heart of Rotary —fellowship, conversation, and supporting one another. We're excited to see our members stepping up to host and participate.
