Speaker: Upcoming Speaker: Cory Mottice—NOAA: Hurricane Season & Preparedness

The Rotary Club of Corpus Christi is looking forward to hearing from Cory Mottice with the National Weather Service Corpus Christi office. As hurricane season gets underway, Cory will share what forecasters are seeing for 2026 and how new technology is helping improve hurricane forecasts. From satellites and Hurricane Hunters to artificial intelligence, the tools used to track storms have come a long way—and continue to get better every year. He'll also cover what local residents should know about staying prepared before, during, and after a storm. Living on the Gulf Coast means hurricanes are a part of life, making this a timely and valuable program for our members. Be sure to join us for this informative discussion.
