Speaker: Mary McQueen & Christine Wisian—The History and Impact of RYLA

The Rotary Club of Corpus Christi welcomes fellow Rotarians Mary McQueen and Christine Wisian as this week's speakers. They will share the history of Rotary Youth Leadership Awards (RYLA) and how the program has helped develop more than 35,000 young leaders. Our local RYLA program provides students with hands-on, experiential leadership training focused on teamwork, decision-making and problem-solving. Mary and Christine will also explain the different levels of training and what participants can expect from the upcoming program. Join us to learn how RYLA continues to prepare young people to become confident leaders in their schools and communities.
