Speaker: Mary McQueen - RYLA Programing and using DISC

The Rotary Club of Corpus Christi welcomes Mary McQueen for an interactive look at the experiential learning activities that make Rotary Youth Leadership Awards Camp so effective. Two weeks ago, Mary McQueen and Christine Wisian shared the history and focus of our club's 32-year RYLA project. This week, members will go beyond the history and experience some of the activities used to empower young people to recognize their leadership potential. The program will include hands-on fun, learning and a chance to experience some of the RYLA magic for ourselves. Join us Thursday and discover what makes RYLA such a powerful experience for young leaders.

Do you want to pre-pay for your meal? Click on the link to pre-pay for your meal by 9 am on Thursday.
