Speaker: Joshua Watson - Living with Purpose through Mattering

The Rotary Club of Corpus Christi is pleased to welcome **Dr. Joshua C. Watson, Dean of the College of Education and Human Development at Texas A&M University–Corpus Christi.** In his presentation, “Living with Purpose Through Mattering,” Dr. Watson will explore how knowing we are valued, appreciated and significant to others can give our lives a greater sense of purpose. Rotarians will also take part in a table discussion designed to encourage reflection, meaningful conversation and learning from one another. Join us Thursday for an engaging look at the importance of mattering—and how each of us can help others recognize that what they do truly makes a difference.

Do you want to pre-pay for your meal? Click on the link to pre-pay for your meal by 9 am on Thursday.
