Speaker: Mary McQueen - Insight into how DISC can be used to improve communication.

Join us as Mary McQueen introduces members to DISC, a tool for understanding different personality and communication styles. DISC identifies four primary styles—Dominance, Influence, Steadiness, and Conscientiousness—and helps explain how people communicate, respond to challenges, make decisions, and work with others. Members will gain practical insight into recognizing these differences, adapting their communication, and building stronger personal and professional relationships. Join us Thursday to discover your style and learn how a better understanding of others can improve teamwork and connection.

Do you want to pre-pay for your meal? Click on the link to pre-pay for your meal by 9 am on Thursday.
